1.

Phiten Metax V-Edge Necklace.

As a baseball pitcher, Phiten (worn by many MLB players) was my first necklace brand bought in 6th grade. This necklace is a valentine's gift from my long-distance girlfriend, I wear it everyday to be closer with her - slightly superstitious.

2.

Competitors: other brands (OhgIn...) and traditional necklaces (Stainless Steel).

- ☆ • Gift from girlfriend
- Superior quality
- Brand connection.
